## WORK EXPERIENCE

WEB DEVELOPER - Circle Interactive, Bristol, UK | March 2018 - March 2020

Performed development on multiple sites on a daily basis further extending my confidence in prioritizing an array of client requirements and goals. Further developed on skills gained during my internship such as ReactJS.

- Developed, deployed and maintained over 40 sites for clients based in the charity and public sector such as healthwatch.co.uk, fgdp.org and makingmusic.org.uk.
- Delivered daily client support on urgent issues requiring immediate action or attention.
- Planned, developed and implemented strategies with key decision makers to introduce a new Git workflow to the organisation.
- Assisted Student Developers with their progression, holding weekly mentor meetings.
- Lead developer on a ReactJS project for a high profile UK client focussed upon rental based activities.

## STUDENT WEB DEVELOPER - Circle Interactive, Bristol, UK | July 2017 - March 2018

9 month internship at a digital agency. Assisting senior developers in projects to assist my growth in web development. After the placement I was invited to apply for a permanent role in the company which I was successful in achieving.

- Created multiple user interfaces using HTML5, CSS and Javascript practices, including ReactJS.
- Used PHP to establish back end solutions for clients CRM system.
- Tested multiple client sites and performed troubleshooting prior to deployment.
- Hands-on experience using UNIX and Nginx web servers.
- Gathered and refined specifications and requirements for projects based on technical needs of the client.
- Reviewed code using Bitbucket to correct issues, assess security and verify the compatibility across browser, device and operating system.

## LIFEGUARD - GLL, Cardiff, UK | October 2013 - September 2018

Worked part time as a lifeguard which required an understanding of responsibility and accountability in a high pressure job with no room for error.

- Monitored safety of up to 50 guests in and around swimming pool.
- Trained in CPR, defibrillator and basic first aid.
- Ensured full regulatory compliance for all staff members and swimmers and co-led safety training to enhance overall awareness and skills.
- Maximized customer satisfaction by greeting all pool users with courtesy and resolving any issues promptly and with positive attitude.

## **VOLUNTEER WORK**

Selected in 2016 to participate in volunteer work alongside the charity Project Zulu ([www.projectzulu.org](http://www.projectzulu.org)). Spent 5 weeks coaching rugby and teaching Physical Education and Life Skill classes to young children aged between 5 and 12 in the Madadeni township, South Africa.
